

**Dear HHS Employee,**

Below are the PSC Child Care Subsidy Program (CCSP) eligibility criteria and income thresholds specific to **FDA**. Your household must meet these requirements to qualify for subsidized child care benefits under the program.

**FDA**

- Your adjusted gross family income is \$95,000 or less (IRS form 1040, Line 11)
- Your child is age 13 or under (or 18 and under if physically or mentally unable to care for him/herself).
- Your child is enrolled, or has been approved for enrollment in a licensed child care center or under the care of a licensed child care provider.
- The employee has achieved a recent performance rating of "Meets Performance Measures."
- The child care subsidy for all eligible employees will be a weekly amount according to the following schedule:
- The child care subsidy will be reduced by the amount the participant receives in State, county or local child care subsidies.

<b>Total Family Income</b>	<b>Percentage of Child Care Paid</b>
\$80,001 - \$95,000	20%
\$70,001 - \$80,000	25%
\$60,001 - \$70,000	35%
\$50,001 - \$60,000	45%
\$50,000 or less	50%
